SQL Resources

Raghu Tiwari

—

"

I was planning to revisit SQL and got requests from a lot of you regarding free materials and learning SQL plan.
SQL is essential for all Data roles - Data Analyst, Data Scientist, Data engineers...

So I hope you all are excited to learn/ revisit and become a SQL pro.

This is not a course - just a free program for everyone who wants to learn SQL for free and Master it. You will also get a free SQL certificate from a credible platform in this program.

Week 1: learn SQL (free resources will be shared)
Week 2: practice SQL questions
Week 3: SQL project
Week 4: More questions + Project + personal branding
Week 5: mock interviews for top performers + SQL certificate

"

Week 1: Learn (09-Jan-2023)

Use any 1 resource for learning:

Name	Link	Description
SQL Bolt	https://sqlbolt.com/	Learn SQL in an interactive environment **(Recommended)**
Mode SQL	https://mode.com/sql-tutorial/	Reading
W3School	https://www.w3schools.co	Covers most concepts - also has

Name	Link	Description
	m/sql/default.asp	*exercise, quiz in an interactive environment*
